Canon GI-25 Ink Bottles - Inkjet - Cyan - 3000 Pages - 37 mL - 1 Each

Manufacturer : Canon, Inc

Inkjet - Cyan - 3000 Pages - 37 mL - 1 Each Canon consumables genuinely make a difference in your Canon printer. Canon Genuine ink produces high-quality, monochrome and color output for all your home and office needs that you can be proud of. This bottle of single color supports the four-color pigment in Canon's Continuous Ink Supply System (CISS). Dye-based color ink delivers vivid long-lasting color printouts. Specialized "keyed nozzle" is designed to only fit and fill the correct color ink tank in Canon MAXIFY GX1020 and GX2020 MegaTank printers.

"Squeeze-Free" bottle design means easy and mess-free ink filling. Combined colors yield a high page capacity of up to 3,000 pages. Bottle contains 37.0 ml.
