Life+Gear Stormproof Path Light - 150 lm Lumen - 4 x AA - Battery, USB - Water Proof, Impact Resistant, Weather Resistant, Slip Resistant - Black, Red - 1 Each

Manufacturer : Dorcy International, Inc

150 lm Lumen - 4 x AA - Battery, USB - Water Proof, Impact Resistant, Weather Resistant, Slip Resistant - Black, Red - 1 Each Stormproof path light features a multi-light design that illuminates the path in front of you, below you and behind you to brighten the path all around you during emergency situations. Made of waterproof and impact-resistant materials, this flashlight is rugged and ready for anything you can throw at it. It also has an integrated rubber grip to let you hold the light comfortably in wet, slippery weather. The forward light has one button while a second button controls the downward and backward beams to provide added flexibility. Flashlight has 150 lumens of power on high and 15 lumens on low so you'll always have the right amount of power for your particular needs. With runtimes of 10 hours on high and 100 hours on low, you can be assured that you'll have light when you need it.
