

Model : HONTR2460ENLS1K

HON Build Series Rectangular Tabletop - Rectangle
Top - 25" to 34" Adjustment x 60" Width x 24" Depth -
Sterling Ash

Manufacturer : The HON COMPANY

Rectangle Top - 25" to 34" Adjustment x
60" Width x 24" Depth - Sterling Ash

This rectangular tabletop is part of the HON Build Series that includes flexible tables for working, learning, sharing and training. From open areas and training rooms to collaborative spaces between, Build meets your needs on your terms and creates the foundation for a more productive workplace. The rectangular tabletop is one of the unique, interchangeable, Build tabletop shapes that easily move to create single or multiple user configurations. You can use multiple rectangular tops for a large workgroup or, for more diverse collaboration options, mix it with two half-round tabletops or tabletops shaped like a wisp or ribbon (all sold separately). 1-1/8" thick worksurface is made of solid-core particleboard covered with thermal-fused laminate that is abrasion-resistant and scratch-resistant.

The height-adjustable metal legs are sold separately and adjust from 22" to 34" to accommodate any size user. Bracket welded to leg allows easy installation.
