NCR Paper Xero/Form II Carbonless Paper Sheets - Assorted - Letter - 8 1/2" x 11" - Smooth - 500 / Pack - Precollated - Pink, Canary, Bright White

Manufacturer : Appvion, Inc

Letter - 8 1/2" x 11" - Smooth - 500 / Pack - Precollated - Pink, Canary, Bright White Xero/Form II carbonless sheets are designed specifically to create three-part forms (precollated, reverse) on an as-needed basis on digital and electronic equipment including copiers, printers (laser/inkjet) and multifunction devices. Using digital or electronic equipment to produce multipart forms saves time and money. Xero/Form II is compatible with all brands of color and black/white digital equipment including Xerox, HP, Lexmark, Canon, Konica Minolta, Ricoh and many others. Also, typed or written images remain intense, clear and legible down to the last ply of the form. The print side identifier arrows on the side of the paper ream allow easy paper loading.
