Carbonless - White, Canary Superior
Carbonless Sheets are built to run
cleanly and smoothly in all forms
equipment, especially black/white and
color digital copiers and printers. Design
offers heavy basis weight, consistent
caliper, stiffer sheet, excellent offset
runnability, lower-cost carbonless option
for digital equipment, and improved edge
padding. Stronger bond holds forms
together. Two-part form sets fan apart
with ease with the original in white and
the duplicate in canary. FSC Certified,
precolated, straight, carbonless sheets
deliver superior image quality with
improved ink/toner adhesion. Additional
