2 Ply - 11" x 9" - 120 Sheets/Roll - Brown - Paper - 1 Roll
Clean more, waste less and help reduce the need for virgin wood pulp. Reach for these hardworking, recycled paper towels, and you're not only cleaning up messes in a flash; you're helping to keep more trees standing. Made with a high percentage of post-consumer content - the paper we all recycle every day at home, school and work, these unbleached paper towels have a unique color that visually cues care for the environment in a way white paper cannot. Being made without dyes, inks or fragrances saves natural resources compared to virgin or whitened recycled products by eliminating the whitening process, which saves water and energy. The two-ply paper towels come in rolls that fit standard household, kitchen roll dispensers. Each sheet measures 11" x 9".
